Point System and Tie Breaking Rules

STANDINGS:

- 0 point for a loss
- 1 point for a shutout
- 1 point per goal up to 5
- 3 points for a tie
- 6 points for a win
- 8 points maximum for a forfeit (score 1-0)
- 12 points maximum per game

BREAKING TIES:

- Head to head record
- Team with least goals scored against
- Team with most goals scored for up to five per game

SPORTSMANSHIP PLAY

- If a team gets up by four (4) goals over the opponent (example, 4-0), the team with the most points loses a player until the goal differential is two (2) goals (example, 4-2). This rule is intended to reduce teams running up the score.
- **Remember only 5 goals scored in a game count for game points. Any more than that will have no bearing on the standings. Please DO NOT run up the score!**
